Talk Around Tartarville

By BERTHA ROGAN

FR. 5-6993

Results of this semester's elections were announced last Friday night. Don Kelly is the ASB president and vice president is David Shinoda. Girls and boy's league presidents are Marilyn Moss and Ben Bough. The class presidents are Peggy Sprout, senior; Jim Weyant, junior; Victor Masaki, sophomore; and for the freshman there will be a run off.

P V Dangerous
All Tartars are reminded to stay out of P V as there is a wild cat on the loose. Wild revelry and rejoicing swept Tartarville Friday night after the winners of the election had been announced. Tartars having parties to celebrate victory or bewail defeat, were Jim Weyant and Bob Brooks, Howard Smith, Ollie Lessin, and Bob Brooks had a private party reaching far into the next morning.

This is the last column I'll be writing for you Tartars, starting next week Ollie Lessin, the new commissioner of Publicity will be writing Tartar Teen Talk. So Long!

what he did for three reasons: because of his experience on the Planning Commission; because he loved Torrance; and because of the fine cooperation he received from city personnel.

George Powell, director of the Planning Commission, said that he will not be able to carry the load himself, desperately asking the council for help.

The office still remains open with no agreement reached on how it is to be filled. A request made by an employe of the building department to be assigned to this post because of lay-offs has been given the city attorney and city manager for study and clarification.

School Bus Promised For Strip

Arrangements are presently being made to provide bus transportation for students transferring from Peary junior high school to the new Stephen M. White junior high school who live outside the 2 1/2-mile minimum radius.

So stated Aubrey Davis, in charge of transportation for the Los Angeles city school district. Davis said that the district is trying to make arrangements with Gardena for bus transportation.

Children affected are those living on 203rd st., 204th st., 205th st., and 206th st. between Western and Harvard; on Harvard from 206th st. north to the boundary line; and on 203rd st. between Denker and Western.

Davis thinks that arrangements will be ready in time for the start of the semester.

Those living under the 2 1/2-mile limit will have to walk, he said. Traffic hazards, he said, come under the jurisdiction of Cecil Zaun, division of safety.

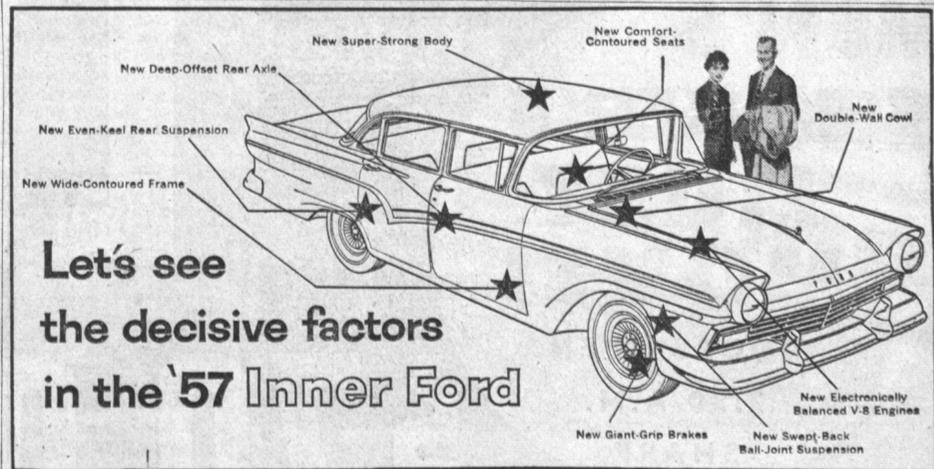

Right now there's brisk demand for used heaters, winter sports equipment, furs, lots of other things. Torrance Press Classified Ads bring buyers so easily many people use them again and again. Dial FA 8-2345, the extra-money number.

Music Honor

Bob Wyatt, a senior at North High school and a member of the school band, has been honored by being asked to play first trumpet in the All-California High School Symphony orchestra. The orchestra will be giving concerts in Santa Barbara on February 8, 9, and 10. Wyatt is the first North high student to be given the opportunity to play with this orchestra.

He has been playing the trumpet for six years and has won three gold medals during his high school years for trumpet solos in various music festivals in Southern California.

He is the son of Mr. and Mrs. Charles B. Wyatt, 3605 West 190th st.
